

2011 – 2012 SAFE & Plainwell Corners Programs Plainwell Community Schools

The SAFE (School Age Fun and Enrichment) licensed child care programs are currently registering children for the following self-funding programs:

Plainwell Corners has expanded into the summer. Children will be having fun while getting an education at the same time! Literacy building, outdoor/water activities, learning centers and special in house guests. It is a camp designed for children from **preschool – kindergarten.**

SAFE Summer Fun Camp is for children who are currently in **1st through 5th grade.** We are implementing ideas that the previous summer camp children gave us and have added more new ideas! The days are scheduled with creative opportunities to have fun, exercise, socialize and have new learning adventures. Projects involving art, cooking, computers, games, bike riding, swimming and enjoying in-house specials are all part of the summer programming. A schedule of the activities will be provided and followed so you will be aware of what your child will be participating in for the day!

Plainwell Corners Preschool Daycare with a Preschool Curriculum: Strives to prepare your child for success. Our curriculum and program is designed for toilet trained children who are 3, 4 and 5 years old. It should be just the kind of program that you are looking for with fun educational activities designed to use all of the skills that your child needs to develop! Plainwell Corners is open from 6:30 AM until 6 PM, Monday through Friday at the Early Childhood Education Center, located at 307 E. Plainwell Street.

SAFE: A Before and After School Program providing an instant neighborhood atmosphere with ample activities for children from all 3 Plainwell Elementary schools. Open from 6:30 until 6 PM. Full and partial session rates are available. Cooper SAFE will be located in the Cooper gym. Gilkey and Starr is combined at Gilkey in the morning and at Starr in the afternoon.

DHS payments taken.
