Resolution 17-13 City of Plainwell

A RESOLUTION HONORING TED GRUIZENGA FOR 18 YEARS OF SERVICE

WHEREAS, the Charter of the City of Plainwell establishes a City Council, which constitutes the legislative and governing body of the City with the power and authority to adopt such ordinances and resolutions as it shall deem proper in the exercise of its power; and

WHEREAS, the City of Plainwell has enjoyed the services of Ted Gruizenga as City Assessor since December 1998; and

WHEREAS, Mr. Gruizenga intends to retire from the City of Plainwell as of April 30, 2017; and

WHEREAS, the City of Plainwell desires to recognize, honor and thank Mr. Gruizenga for his dedication and hard work toward the betterment of the Plainwell community.

NOW, THEREFORE, BE IT RESOLVED, that the Plainwell City Council extends its appreciation and best wishes to Ted Gruizenga. He has served the Plainwell community and its citizens well over these years.

MEMORANDUM

"The Island City"

211 N. Main Street Plainwell, Michigan 49080 Phone: 269-685-6821 Fax: 269-685-7282

TO:	Erik J. Wilson, City Manager
FROM:	Brian Kelley, City Clerk/Treasure
DATE:	April 24, 2017
SUBJECT:	Assessing Services

ACTION RECOMMENDED:

The City Council should consider accepting the low-bid Mike Richmond to provide assessing services for a 3-year period beginning May 1, 2017, at annual costs of \$15,600, \$16,800 and \$18,000, for years 1, 2 and 3, respectively, with the option of 3-year renewals.

The City's Assessor, Ted Gruizenga, is retiring effective May 1, 2017. As a result, the city issued a request for proposal that was distributed to the area County Equalization Directors and the Michigan Assessors Association. On April 5, 2017, the city received proposals for assessing services. Six (6) firms submitted bids, each of which was carefully reviewed. A bid tabulation and related evaluation is attached.

Based on several factors, I recommend awarding the bid to Mike Richmond. Mike has worked for and been trained by Ted and worked on the recent state-ordered reappraisal of all residential properties within the city. His experience with Plainwell and the contact with the previous assessor will prove very beneficial as the city continues to focus on property valuations.

Of the six proposals, three charged separately for the state-mandated annual 20% reappraisal of residential property. Of those, two were much more costly than the rest of the bidders. Four of the six proposals were from individuals who currently act as assessor. One proposal did not include a 3-year quote, as the others did. Based on the scoring criteria of expertise, time in the office, and cost, Mike Richmond's proposal tops the list in each of those categories. His knowledge of Plainwell certainly plays a factor, as well as his plan to staff the assessing office weekly, which is an increase from what we've had. Additionally, his proposal, over the 3-year term, offers no cost increase to the city, where all the other proposals were more costly from the existing contract.

Re: Assessment Services

I have enclosed for your review my proposed agreement for Assessment Services. I am currently the Assessor of Record in Bloomingdale Township, and the City of Parchment. I also work for two different assessors in various municipalities, including the City of Dowagiac, City of Plainwell, and Texas Township.

I am a Licensed MAAO Assessor, and I have extensive field work experience in City of Plainwell, and also have a good working knowledge of the land valuation of the City. I was employed by the current Assessor, Ted Gruizenga in City of Plainwell, and he will continue to be a source of valuable input and guidance

I have provided a 3-year contract to provide City of Plainwell, to give the opportunity to be able to forecast the future costs of assessment administration. I hope you will find this agreement beneficial to your City. Per the requirements set forth in the Request for Proposals from The City of Plainwell, Please consider the First year Fee Schedule in Section 4.1.1 for consideration for a 1 year contract, with the same dates.

Sincerely,

Mike Richmond, MAAO

AGREEMENT FOR ASSESSMENT SERVICES <u>March 10, 2017</u> <u>City of Plainwell</u>

SECTION 1. INTENT

1.1 It is the intent of this agreement to establish the terms, conditions, and responsibilities of Mike Richmond hereinafter referred to as the "CONTRACTOR" and City of Plainwell hereinafter referred to as "City", for the performance of the duties regarding Assessment Services for the City.

SECTION 2. CONTRACTORS RESPONSIBILITIES

- 2.1 Contractor agrees to provide Assessment Administration Services and an Assessor at the certification level required by the State Tax Commission. If at such time the state requires an increased level of certification, contractor will provide an assessor to meet said level within the time guidelines provided by the State of Michigan. All work hereinafter designated as to be completed by "Assessor" will be completed by Michael Richmond designated Assessor of Record for the city. Any deputy assessor or assistants will be supplied at the Contractors own expense.
- 2.2 Contract will provide staff one day a week, to be spent in the City. These days would be split between office hours and fieldwork. Additional days may be required to complete the work but 1 day per week are designated for office hours and regularly scheduled fieldwork. In the event the <u>Assessor</u> or <u>Deputy Assessor</u> is unable to make the appointed days, the <u>Assessor or Deputy Assessor</u> will make up those days, except days, which fall on legal holidays, and days that the Township offices are closed. 4 days per year will be used for education and/or vacation.
- 2.3 Days in the office shall include the following:
 - 2.3.1 Days spent at the Michigan Tax Tribunal or Tax Tribunal Small Claims Cases.
 - 2.3.2 Board of Review attendance.
 - 2.3.3 During the month of March, the Assessors weekly responsibilities will be fulfilled by the Board of Review attendance. The March Board of Review will be scheduled to coordinate with the Assessors regular scheduled days if possible.
- 2.4 It is understood that The Assessor shall prepare the assessments for the ad valorem assessment roll and the Special Acts roll. The Contractor is not responsible for any other special assessment rolls, but will assist in the preparation and provide current information as requested. The Assessor will pick up new construction. This will be done through a physical review of new construction, through cooperation of the building department and through a review of building permits. A copy of all building permits will be provided for

the Assessor's use. All building permits must have the property code number entered on the permit. A copy of all building plans will be provided for all new construction.

- 2.5 The City shall also supply the Assessor with a copy of all fire calls involving improved properties, with property code numbers attached.
- 2.5 Eliminate across the board increases by developing new ECF's and land values and applying any future increases/decreases to the areas in which they belong.
- 2.6 Prepare sales studies using available data.
- 2.7 File all forms and reports in a timely manner.
- 2.8 Respond to all equalization studies.
- 2.9 Attend Board of Review meetings. The meetings will be cooperatively scheduled between the City and the Assessor.
- 2.10 July and/or December Board of Review: The Assessor shall prepare for and attend July and December Board of Reviews.
- 2.11 Defend all appeals to the Small Claims Division of the Michigan Tax Tribunal. This includes all appeals which exist or which may arise from the prior assessments. Upon termination of this contract, the City shall assume responsibility for any upcoming or ongoing appeals. A written summary will be provided for any unsettled petitions.
- 2.12 Any other appeals to the Tribunal that may require legal counsel will be supplied by the City. The City may employ another firm to prepare a supportable and defensible report. The Assessor will keep the City Manager informed of these appeals and supply the City manager with a recommendation.
- 2.13 The City will be required to supply legal counsel at their expense for Small Claims and Full Tribunal hearings, should the need arise.
- 2.14 Establish good public relations and work with and educate property owners in an attempt to eliminate adversary situations.
- 2.15 Conduct a personal property canvass to ensure that the personal property roll reflects equity. The Contractor will provide certified personal property examiners if personal property audits are determined to be necessary and will request audits be conducted by the county if certified personnel are available.
- 2.16 The STC is currently requesting, but not requiring, a mass re-inspection every five years. See Section 4.14 for details regarding this requirement

- 2.17 The Contractor shall provide all necessary personal transportation and field equipment to perform the assessing functions.
- 2.18 The Contractor shall prepare an estimate for the City of items not covered under this agreement.

SECTION 3. TIME FRAME

- This agreement for assessment services shall begin on May 1st, 2017 and conclude 3.1 April 30th, 2020. The City and the Contractor may cancel this agreement upon 60 days written notice. Both parties may renegotiate this agreement 60 days prior to its conclusion.
- 3.2 The Contractor/Assessor will be required to perform the assessing duties under the laws, rules, and guidelines in existence as of the signing of this contract. Should the laws, rules, and or guidelines change during the term of this contract, then the Contractor and City shall be afforded the opportunity to renegotiate this contract.

SECTION 4. SERVICE FEES

- 4.1 The City shall pay a fee for the Assessment Services as follows:
- 4.1.1
- Year 1 May 1st, 2017 to April 30th, 2018. \$1300.00 per month Year 2 May 1st, 2018 to April 30th, 2019. \$1400.00 per month 4.1.2
- Year 3 May 1st, 2019 to April 30th, 2020. \$1500.00 per month 4.1.3
- 4.1.4 The State Tax Commission now requires that Assessor's field check 20% of the parcels in a unit, and this requirement is included in the above fee schedule.
- 4.1.5 This agreement shall be renewed every 3 years upon mutual agreement by both parties..

Payment for Assessment Services will be made utilizing the rates listed in sub-sections 4.1.1 - 4.1.4. Payment will be made to the Contractor on the 1st Thursday of each month for services to be performed. An Invoice will be supplied to the City to be approved for payment prior to each monthly payment.

It is understood that the Contractor of assessment services is not an employee of the City and will provide a W-9 with all required information. Any work performed by sub contractors will be the responsibility and paid by the contractor.

- 4.2 Fee for mapping services as follows:
- 4.2.1 If the Contractor/Assessor is required to approve/deny parcel splits, the Contractor reserves the right to split any fee charged by the City. The parcel split applications must include accurate surveys, sketches and legal descriptions and will be required to update the parcel database and maps.

SECTION 5. CITY RESPONSIBILITIES

- 5.1 The City shall provide property description cards containing needed initial information such as property number, legal description, owner, and address information, as well as all the present existing data and measurements.
- 5.2 The City shall provide appropriate tax maps, office space and furniture, and telephone during the duration of the contract as well as a copying machine, office supplies, and postage and mailing service if necessary.
- 5.3 The City shall supply computer hardware and software to perform the pricing function. The City must maintain the hardware and software through a regular maintenance program. The City must back up the system on a regular basis with alternate tapes or disks. Any data loss as a result of hardware or software problems must be replaced at the City's expense.
- 5.4 The City shall provide clerical support for customary correspondence, servicing simple inquiries, and Board of Review Minute taking and preparation. (Typically the Board of Review President is the secretary of the Board of Review)

The City recently solicited prices to replace the 4' fences in front of the team benches at Kenyon Park with 6' fences. There are 3 fields with 2-50' lengths of fence at each field for a total of 300' of fence. The existing fences are not commercial quality and have been broken down by misuse and they are now they are a safety hazard. The Department of Public Works suspects that players are climbing over the 4' fences instead of walking around them.

The department believes that using 6' fences will prevent players from scaling them and breaking them down. DPW will remove the existing fences, scrap them and prep the area for new fences. Quotes received are as follows;

Contractor	Price
Wright Fence	\$4,124.91
Farm n' Garden	\$4,500.00

I recommend Council approve the fence replacement quote from Wright Fence for \$4,124.91.

I would budget around \$15/foot. If it starts getting really cut up, like a lot of stretches then bump that up to \$18-\$19/foot. Time frame would be the biggest issue right now. We are scheduling installs into early June at the present time.

My name is Lois Heuchert and I am asking for your approval to open a kayak rental business in Plainwell. Your consideration would allow me to utilize the "kayak barn" that is on city property. This letter is to give you a bit of my background and business intent.

I began my career with The Upjohn Company over 35 years ago upon graduation from Kansas State University. I had a robust career in sales, sales training, sales management, U.S. & International marketing; these experiences have served me well and I believe have prepared me to be able to develop my own business. I moved to Kalamazoo over 20 years ago as a National Sales Trainer and have been here since. I have been retired for over two years.

I expect to be moved to Plainwell no later than spring pending the sale of my home in Portage. This allows me to be "local" which I believe will be important to properly manage the business.

The first time I kayaked the Kalamazoo River I couldn't believe what a beautiful clean river it was and the 3 hour ride seemed perfect to relax and enjoy the scenery. Later that year I took a shorter trip from Plainwell to Otsego. I was again amazed at the beauty of the river yet it had a much different look of grasslands vs. the tree lined river banks from D Avenue! My biggest question is why aren't more people using this natural resource?

My vision is to provide a kayak rental service that will allow more folks to enjoy a trip to & from Plainwell on the river. The service would be open Monday, Wednesday, Friday, Saturday, & Sunday from Memorial Day – Labor Day. The hours would be 10 AM – 6 PM pending needed adjustments due to business demand. We would utilize the docks on both sides of the dam in front of city hall. This would bring people to downtown Plainwell as they would park by the kayak barn and the service would take them to D Avenue to begin the trip to Plainwell or launch at City Hall and pick them up in Otsego.

I have a business plan that I would be happy to review with anyone who is interested. Upon approval to conduct business in the kayak barn I would begin the process to develop & launch the business. I believe that this business would bring people to Plainwell from at least a 30 mile radius. It is my intent to ensure it is additive to the vision and goals of the City of Plainwell. If I could provide any additional information please don't hesitate to contact me.

PUBLIC SAFETY OFFICER/FIRE LIEUTENTANT

<u>Physical Demands:</u>

The physical demands and work environment characteristics described here are representative of those an employee encounters while performing the essential functions of both the Public Safety Officer and the Fire Lieutenant positions. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

This position will range from sitting in an office or vehicle to exercising the strength, mobility, dexterity and stamina associated with apprehending criminals and suppressing

fires. Physical demands for this job may include limited or frequent standing, walking and sitting; stooping, kneeling, crouching and crawling; running, grappling, climbing, balancing and bending/twisting; reaching, feeling, talking and hearing. Lifting, carrying, pushing/pulling: 50 pounds or more. Handling, grasping and fingering: gun, handcuffs, fire hose, ladders, performing CPR, utilizing patient lifting devices, etc.

While performing the duties of this job, the employee is required to maintain the ability to walk up and downstairs, utilize protective equipment, including eyewear, footwear, respiratory aid, hard hat, gloves, and protective clothing.

- Adequate vision to function in rapid paced maneuvering, including in situations of low light, heavy smoke, and glare.
- The employee is regularly required to communicate with others in person and on the telephone or radio, Clarity of hearing and speech sufficient for rapid-fire in-person and radio communications during emergency management, including often noisy situations.
- Manual dexterity sufficient for grappling with varied emergency sites, operation of fire-fighting equipment such as fire hose and ladders, medical emergency equipment, communications equipment, operate office equipment including use of computer keyboard; ability to operate and use specialized law enforcement tools and equipment including guns and handcuffs.
- Overall physical health, personal mobility and reflexes for handling rapidly moving situations where quick maneuvering in less than ideal situations involving obstacles, run for long periods of time, challenging climbing requirements and structural collapse can be decisive.
- Mental alertness is important because of the need to make fine distinctions and decisions concerning subtle cues to impending danger. Physical and mental demands may change dramatically within a few seconds and tax the maximum of human endurance. Therefore, the employee must maintain a physical and mental state of fitness and readiness that will enable them to handle recurrent contacts and involvement with dangerous and potentially dangerous situations.

Work Environment:

The employee may be exposed to outside weather conditions and, on fire scenes, may be exposed to high, precarious places; fumes or airborne particles; toxic or caustic chemicals; risk of electrical shock; burns; explosives; intense heat; extreme cold, vibration; and other highly dangerous situations. Workplace environment may be confined. The noise level in the work environment can range from quiet in the office to very loud in the field. Subject to 24 hour call in.

The job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee. Other duties, responsibilities and activities may change or be assigned at any time with or without notice.

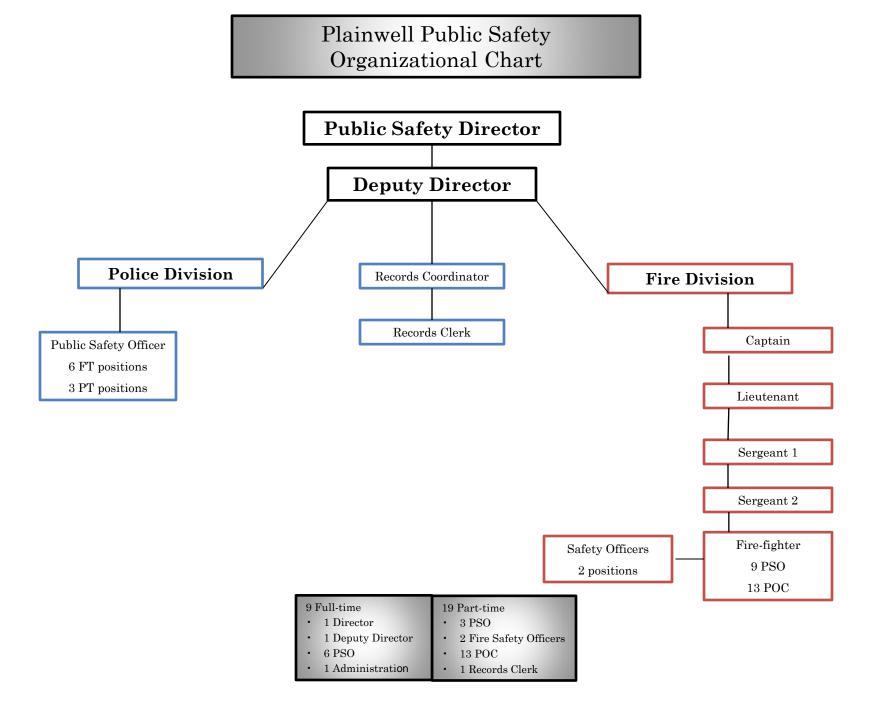

ACKNOWLEDGMENT

I, (print your name) ______ acknowledge that the aforementioned job description has been presented to me; I have read the job description, certify I can perform these functions and I will use this description as an outline and guide of the expectations and requirements of my position.

Plainwell Department of Public Safety

March 2017 Monthly Report

The photo on the left is PSO Jeff Welcher and FF Dillon Thomas extinguishing a chimney fire on Floral St. Right PSO Rantz and Welcher on foot patrol at RWE during Art Hop.

Submitted By: Director Bill Bomar

Community Events:

On March 10th during Art Hop there was a lot of foot traffic down town. Officer Rantz and Welcher were on foot patrol for the event and received a lot of positive comments. They were also asked to pose for the photo on the front page while they were in RWE.

Director Bomar hosted a local Girl Scout troop on March 14 for a tour of the Public Safety Department and a questions answering session.

Training:

On March 8 we had a joint training with Gun Plain and Otsego Fire Departments scheduled, but because of the high winds and multiple fire calls it was canceled. During that time we responded to six calls for service. We were also able to squeeze in some Hazardous Material Training.

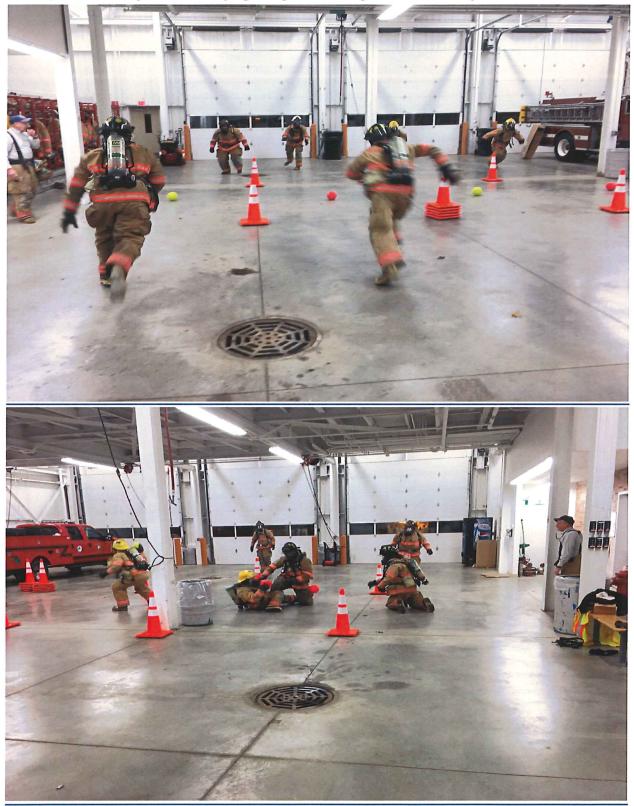

The photo above is the training crew setting up the hazardous material deacon tent in 6 min time on training day.

On March 22-23, from **1pm – 5pm**, the Public Safety officers were presented an officer safety program called VALOR by PSO Luthy. In 2010, the Bureau of Justice Assistance (BJA) VALOR Officer Safety Initiative was created in response to the startling increase in felonious assaults that have taken the lives of many law enforcement officers. VALOR provides all levels of law enforcement with tools to help prevent violence against law enforcement officers and to enhance officer safety, wellness, and resiliency.

Practical Applications taught to Plainwell PSOs include: Mental Health and Wellness, Pre-incident indicators of Potential attacks, Ambush attacks, Foot Pursuits, Professionalism in Law Enforcement, the Syrian Conflict and the Resulting Terror Threat at Home. These are just a few of the topics that are taught this month. We train in this annually to keep Officer Minds sharp and alert, as well as on the cutting edge of progressive law enforcement theory and training.

On March 22-23, from **6pm-9pm**, PSO Rantz and Det/Sgt. Varley managed a search and rescue training tied in with a team building drill. This occurred at our station; we blacked out the firefighters mask to represent heavy smoke conditions. We then set up a series of obstacles for the fire fighters to work their way through. At the end of the course was a downed firefighter. The rescue firefighters would then hook up the buddy breathing system to the downed firefighter while blinded. We then finished up training with a team building drill. During this drill we incorporated dodgeball with firefighting. While in full fire gear the firefighters ran to where their SCBA were located and then donned the SCBA. Then they ran to the dodgeball and played the game. The game was very competitive, strenuous, and a lot of fun. PSO Welcher came up with idea of mixing dodgeball with firefighting.

Below; Public Safety Officers Playing Dodgeball during a Team building exercise.

Foot Patrol

While on foot patrol in the area of Anderson St and E Bridge, Officers Welcher and Rantz observed two highly intoxicated people trying to get into their car and drive away. The Officers reported that the individual that was going to drive had a BAC of .28. The officers called for a cab for these two individuals. The Officers actions more than likely prevented an accident or worse. Through the investigation it was found that these people were drinking at several bars including one in Plainwell. The bar tender was given a verbal warring and Det/Sgt. Varley followed up with the bar owner.

For the month of March the total time spent on Foot Patrol was 17 hours. During foot patrol the officers had contact with 360 citizens; this also included bar checks.

Traffic Issue:

This month we have been dealing with several traffic issues, such as the ongoing "no thru traffic" behind the old police department. There have been reports of vehicles running the bus stop lights on East Bridge St during child pick up in the morning. We have scheduled extra patrol in the problem area's all month. The "no thru traffic" issue is still being dealt with. There have been 87 verbal warnings given in the last month. The overwhelming response is that the drivers claim they did not see the new sign. We are working with City Manager Erik Wilson and Department of Public works Superintendent Rick Updike who has suggested putting up flags at the new signs. We have received several positive comments from citizens who work at Plainwell Auto and patrons who are going to the Old Plank Road Inn and Dance Kraze. We have written about 10 citations for avoiding a traffic control device in the last week of March. We will continue to monitor these areas of concern.

Notable Incidents:

On March 9, Kalamazoo County was involved in a high speed pursuit north bound on HWY 131. The speeds were excess of 100mph. The suspects ramped off at M89 and crossed all four lanes before they crashed, rolling over several times. Two of the suspects fled the scene. Officer Rantz tracked the suspects on foot and apprehended them hiding under the Kalamazoo Bridge north of the accident.

We responded to an individual on W Bridge St with a compound fracture of the lower leg. Officer Welcher and Rantz went back the victims home two days later and gave her a stuffed animal from the Public Safety Department. The officers said "it made her day".

Investigations:

For the month of March Det/Sgt Varley cleared 17 cases with arrest warrants. Two cases were resolved between the suspect and the victim with Det/Sgts Varley's guidance to avoid prosecution. There are three cases open with further investigations ongoing. Four cases have been closed due to no suspects or evidence that will lead us to an arrest at this time. There is a lot of credit card fraud going on at this time. We urge everyone to keep an eye on their credit card during the transaction. The transaction should occur in the open and not swiped in two different card readers. In most of these cases I track the suspect to Grand Rapids or Kalamazoo.

Miscellaneous:

This month PSO Aaron Chapman (Evidence Officer) and Det/Sgt. Varley performed our yearly audit of the evidence room. Twenty four hours was spent completing this audit of every piece of property, and destruction of evidence from adjudicated cases. The audit was less time consuming from past years because PSO Chapman created a paperless evidence tracking system. PSO Chapman saved the department thousands of dollars by his ingenuity. We currently have over 1050 pieces of evidence in storage at this time. The majority of this evidence is from felony cases. At this time we have 57 guns that were taken off the street. Twenty two of those weapons are set for destruction, along with several pounds of narcotics.

The above photo is our state of the art pre evidence room with pass through lockers. To the right Director Bomar shows the girl scouts a fire truck.

PSO Welcher and Rantz make a new friend after a MFR call this month.

Examples include: Auto Accidents, Accidental Fires, Traffic Citations, Property Inspections, Etc.		
HOURS SPENT ON SUPPORT OR PERIPHERAL ACTIVITIES	588	50.22%
The Hours Scheduled for required duties however are not criminal or non-criminal in nature and are supporting functions.		
Examples include: Report Writing, Court, Directed Patrol, Foot Patrol, On Duty Training, Transport of Paperwork to the Court, Evidence to the Crime Lab, Etc.		
TOTAL UNOBLIGATED PATROL HOURS	190	16.21%
The Hours of Scheduled Road Patrol left over that officers are not assigned to an activity or working on a complaint.		
Examples include: General Preventive Patrol, Building Security Checks, Etc. Note: This also includes any break time the officers take during their shift.		
TOTAL HOURS OBLIGATED TO DUTIES, COMPLAINTS, INVESTIGATIONS, ETC.	981	83.79%
It is recommended by the International Association of Chiefs of Police (IACP) that no more than 65% to 70% of an officers time on duty, be obligated to complaints, investigations, activities or assigned responsibilities. The rationale behind this is to assure that officers are available for emergencies without unreasonable delay and provide for preventive and traffic patrol duties.

Turley brought to our attention that Consumers Power and Michigan Gas have been working on a power outage that interrupted service to Hiemstra's Joes, and RWE for a period of 2-3 days. The sidewalk between Joe's and RWE is torn up with caution tape and cones placed around the hole. Waiting on word of what may have caused the outage.

13. <u>Adjournment: A Motion by Dunlop supported by Rizzo to adjourn the meeting at</u> 8:50 a.m. was made and passed.

Reports & Communications:

<u>A. Resolution 17-13 – City Assessor Ted Gruizenga:</u>

This is a resolution recognizing 18-plus years of service by City Assessor Ted Gruizenga, who is retiring as of May 1, 2017.

Recommended action: Consider approving the Resolution as presented.

B. Contract for Assessing Services:

The City solicited proposals for assessing services resulting from Ted Gruizenga's retirement. Six (6) proposals were received and evaluated as noted on the bid-tabulation in the packet. The Administration recommends contracting with Mike Richmond for a three-year period beginning May 1, 2017.

Recommended action: Consider approving the low-bid from Mike Richmond for a threeyear contact totaling \$50,400, and authorizing the City Manager to execute all documents on behalf of the city, related to the approved action.

C. DPW Kenyon Park Fencing:

Superintendent Updike solicited prices to for fencing at Kenyon Park to improve safety and reduce liability.

Recommended action: Consider approving low-bid from Wright Fence for three (3) fields for a total project cost of \$4,121.91.

D. Pell Park - Plainwell Kayak Company Lease Agreement:

Community Development Manager Siegel presented the Plainwell Kayak Company to the DDA Board at its April 11, 2017 meeting. Plainwell Kayak Company would like to operate out of the storage garage in Pell Park for its river recreation operations. The DDA Board supports this local business opportunity.

Recommended action: Consider approving a license agreement with Plainwell Kayak Company and authorizing the City Manager to execute all documents related to this action.

E. Public Safety Job Descriptions:

Public Safety Director Bomar, his staff and the Administration have collaborated to update the job descriptions and the organizational chart for the Public Safety Division. In Council's packet are updated job descriptions for a Public Safety Deputy Director, a Fire Captain, and a Fire Lieutenant. An updated department organization chart is included in the packet for Council's information.

Recommended action: Consider approving the job descriptions.
