#### Memorandum

To: Erik Wilson, City Manager

From: Bill Bomar, Director

CC: Brian Kelley, Clerk Treasurer

Date: January 9, 2019

#### Subject: Purchase Request for New Detective Vehicle

The Plainwell Department of Public Safety is requesting the purchase of a new sedan to serve as a detective vehicle. The new vehicle will replace our current 2009 Chevrolet Impala, which will have travelled over 140,000 miles by the time the new car is put into service.

We have identified a 2019 Chevrolet Impala with front-wheel drive and a 3.6-liter V-6, engine, which has a combined 18 mpg city/28 mpg highway fuel rating.

This purchase was approved in the 2018-2019 budget year in the amount of \$28,000, and will expense to the City Equipment Fund #661-970-971-000. The Equipment Fund will also cover additional emergency lighting to make the new acquisition a functional detective vehicle. This will include:

- Changeover cost for radio, siren and other electronic equipment from the 2009 Impala to the new vehicle
- It will be necessary to purchase new, updated emergency lighting equipment to make this an emergency response vehicle

The estimated delivery time of the 2019 Impala will be approximately three months. Additionally, approximately two weeks will be required to transfer usable equipment from the 2009 to the 2019 Impala, and to install the additional equipment required to make the new vehicle emergency-response ready. We will seek competitive bids from private vendors for completion of these tasks.

I am requesting that this purchase be made according to City ordinance (3-9) "Cooperative Purchasing," exempting the Department from the normal biding process. The purchase will be made through the Oakland County, State of Michigan Commodities Contract #05218.

I'm recommending City Council approve this purchase from Berger Chevrolet of Grand Rapids, Michigan for \$22,134.00. See attached bid sheet.

Once the 2019 Chevrolet Impala is placed into service, the Department requests that the 2009 Impala be assigned to Plainwell Municipal Airport as a courtesy car.
