January 7, 2020

Dear Plainwell Property Owner:

The City is following up with you related to information FEMA provided at the December 5, 2019 Open House in Allegan. You are receiving this letter because FEMA has included your property (or partial) in the proposed flood plain map.

The City requested property and additional mapping information from FEMA. We have loaded the proposed flood plain map on the City's GIS system and can provide you a detailed aerial of your parcel. If you attended the December 5<sup>th</sup> meeting and had all your questions answered you can disregard this letter. However, if you still have questions the City wants to provide you with as much information as possible.

We have placed static maps of the proposed flood plain and additional information on the City's website. This information can be accessed at [www.plainwell.org](http://www.plainwell.org) under News & Announcements, "FEMA Flood Plain Information."

It is important to note that all of the information the City has received is through FEMA. We will continue to provide you with as much information as it becomes available to us.

If you have additional questions please feel free to contact me at 269-685-6821 or via email, [ewilson@plainwell.org](mailto:ewilson@plainwell.org).

Sincerely,

A handwritten signature in blue ink that reads "Erik J. Wilson".

Erik J. Wilson, Manager  
City of Plainwell
