I / we apply for approval to connect the following premises to the water and/or sanitary system of the City of Plainwell, and/or to install a driveway cut accessing the street system within the City of Plainwell. I / we agree that the connections shall be made in accordance with the Plainwell City Code and City Regulations. I / we are the owner of the premises to be connected. The premises are described below:

Applicant's Name: _____
Telephone No.: _____
Street Address of Connection: _____
Tax Parcel No.: 0355-_____
Connections / cuts to be made by:
Name: _____
Address: _____
Telephone: _____
Applicant's Signature: _____
Application received by: _____
Date Received: _____

APPLICATION: You or your contractor **must** arrange for a representative of the Plainwell Department of Public Works (DPW) to inspect the water or sewer lateral connections between the City main and the premises prior to backfilling trench. Driveway location **must** be approved by the DPW prior to cutting; curb **must** be horizontally saw cut.

In accordance with state law, you or your contractor **must** contact MISS DIG at least 72 hours prior to the start of excavation. A separate plumbing permit is required if plumbing work will be done within the premises. Contact our current Building Inspectors for a Plumbing Permit.
