Flower Program Donation Information

Donations from our community are vital to the City’s flower program, which helps fill our parks, streets, and bridges with flowers each year. We accept donations year-round, but order new plaques in the spring each year to go out when flower planting is done, typically in May.

The requested gift amount for a new plaque is \$75, and \$50 for a renewed plaque. Plaques are most often used to remember a loved one or advertise a business, but you can pick any message you prefer. Of course, every gift amount is appreciated, no amount is too small!

Your support is greatly appreciated!

Please return the bottom portion of this form with your contribution.
