Hello Friends, Neighbors and Business Owners!

We are getting closer to Spring, which means it is time to start fund raising for this year’s flower program! Donations from our community are vital to this program, which helps fill our parks, streets, and bridges with flowers each year. We received many compliments on the improvements to our flowers last year, and hope to impress even more this year!

The requested gift amount for a new plaque is \$75, and \$50 for a renewed plaque. Plaques are most often used to remember a loved one or advertise a business, but you can pick any message you prefer. Of course, every gift amount is appreciated, no amount is too small! Please send your donation by April 16th, if possible, to provide enough time to obtain and prepare the plaques for this season.

**Your support is greatly appreciated!**

*Please return the bottom portion of this letter with your contribution.*
